Bombay Castle(Bombay No. 1)
5th April. 1950

Immediate.
No. 6846/36(1)-X-E(II)

To

The Superintending Engineer,Central Circle.

Subject : Additional Temporary sub-overseers for the Central Circle.

Reference: Correspondence resting with your letter No. 55(b)/2185,dated the 13th March 1950

2. Your proposal to continue the sixteen additional Temporary sub-overseers appointed by you from 1st March 1949, without Government sanction, cannot be approved.

3. You are requested to transfer immediately 4 overseers and 4 Sub-overseers to the Electric Grid Circle and 4 Overseers and 4 sub-overseers to the Karnatak Irrigation Circle so as to wipe out the excess strength over the sanctioned cadre.

4. The question of granting ex post fact o sanction to the appointments made by you is under consideration of Government.

2 The Superintending Engineer. Karnatak Irrigati_n Circle is requested to absorb the overseers and sub-overseers in

place

vacancies against the sanctioned strength of overseers, surveyors etc.

3. The Electrical Commissioner is requested to absorb the Overseers and sub-overseers in the vacancies under Shri Anand Superintending Engineer(Civil) Koyna project.

(iii)S.E.C.C's letter dated 16/2/50 and.

(iv)D.S.P.W.D.'s note date 4/4/50.

2. Addl posts are sanctioned for addl work and not merely for providing men. In the present case it, however, appears that 16 persons from the 4th batch of sub-overseers were allotted to the Central circle without ascertaining whether there were ~~xx~~ vacancies or not for these men, with the result that all the 16 persons have been continued for about a year without posts.This has cost Govt. about Rs.22,000/- and though the S.E.C.C. may think that the persons concerned were doing useful work, this is nothing but waste of public money.This waste could have been avoided if while accepting the 16 persons that S.E. had only verified whether there were vanancies for these men or not.

3. As we are faced with a fait accompli we may agree to the P.W.D. proposal to ~~xxxxxxxx~~ regularise the postion by sanctioning 16 posts with effect from 1/3/49 upto 30/4/50 or till the 16persons are absorbed in sanctioned posts, which ever is ~~xxx~~ earlier. The P.W.D. will, no doubt take necessary steps to ensure that such things are not repeated in future.

4.As the expenditure involved is non-recurring and is less than Rs. 25,000/- it does not seem necessary to place the case before the E.P.C. The P.W.D. will have to meet the additional expenditure from the sanctioned grants(i.e.

the grants arrived at after the cut of 6¼% is effected).
